| If you had a million dollars to give away, who would you give it to?

A million= 10 lakhs in Indian rupees...

Incase of narrow minded I would give away it to my parents because I never done anything to them...and...they have done so much to me...

Incase of broad minded i would give away this money to...ten shares as each shares to  
1) children 2) Old age people 3) ortho 4) locomotive disability 5) hearing impaired 6)  
visual impaired 7) MD 8) Cancer people 9) Hiv affected people 10) Orphan... Specially for  
education or Christmas gift 😊
